## FEATURED AUTHORS

**Alain M. Bergeron**  
AUTHOR

A prolific author, Alain has over 200 children's books to his name. In 1996, he partnered with Sampar, the start of a life-long friendship and an invaluable collaboration that produced over a hundred works. *Savais-tu?* (*Do you know?*) and *Billy Stuart* are just two of the many popular series they've created together.

Alain devotes himself exclusively to writing and to leading school workshops. His vivid writing and inexhaustible imagination have made him a fixture in children literature.

In 1990, he won his first literary award, quickly followed by numerous other nominations and prizes. His books have been translated around the world and are a monstrous success! The *Savais-tu?* series in particular has sold over 600,000 copies in Quebec alone.

**Sampar**  
AUTHOR, ILLUSTRATOR

Illustrator, cartoonist, and author, Samuel Parent, better known by the pen name Sampar, has been a standout in the publishing world for several years now. A self-taught, multi-talented illustrator, he possesses a lively imagination that draws us into worlds that are by turns moving, wacky, and sometimes even mythical.

His career as an illustrator hit its stride at the humour magazine *Safari*, earning him widespread acclaim in Quebec, the United States and Australia. For the past few years, he's illustrated the *Savais-tu?* (*Do you know?*), *Billy Stuart*, and *Les Zintrépides* series, which are hugely popular in Quebec and have been translated into several languages.

In 2013, Sampar published his first solo comic book, *Guiby*. The adventures of this super-baby character made him a finalist for the 2014 Bédelys Young Adult and the 2014 Joe Shuster awards.

**Maxim Cyr**  
AUTHOR, ILLUSTRATOR

Montreal-based illustrator Maxim Cyr partners with Karine Gottot on the original series *Les dragouilles*, a comic book guide to major cities around the world. The series has earned the duo several Canadian literary awards, including the Tamarack Express and the Hackmatack awards. It is also one of the great successes of contemporary Quebec children's books, with over 200,000 copies sold in Quebec. *Les dragouilles* is also available in francophone Europe, Turkey, China and Mexico and is well on its way to conquering the rest of the world!

In 2012, Maxim won the Hachette Canada comic book contest and in 2015, he released *Victor et Igor*, a new comic book humour series starring two eccentric robots.

Over the years, Maxim has honed a signature style that is at once fresh and contemporary. His clean, rounded lines and careful choice of colours are a hallmark of his work. He devotes a lot of time to creating characters that come vividly and endearingly to life under his pen.

**Karine Gottot**  
AUTHOR

Karine Gottot has a teaching degree in high-school geography and history. Over the past 15 years, she's worked closely with young adults as an activity leader, teacher, and tutor. That experience now serves her well as an author of young adult literature. Since 2010, she has partnered with Maxim Cyr on *Les dragouilles* series, which combines wacky humour with informational portraits of major cities. *Les dragouilles* quickly became a hit with children and earned numerous awards.

In 2014, she teamed up with illustrator Mathieu Lampron to publish the first volume of the docufiction series, *Les Mutamatak*.

**Billy Stuart**

**The dragouilles**

Luna

**Élodie Tirel**  
AUTHOR

Élodie Tirel is a prolific French author, a Tolkien fan, and a YA literature enthusiast. Her first fantasy novel, *Les héritiers du Stiryx* (*The heirs of Stiryx*), won the Merlin award in 2008.

Élodie Tirel has since discovered her passion for writing. Her unfailing imagination teems with fantastic stories and her laptop is always at hand. She's had around thirty works published, including *Luna l'elfe de lune* (*Luna, the Moon Elf*), which was a success in both France and Quebec. It has sold over 200,000 copies and was also released as a graphic novel and an audio book.

**Yvan DeMuy**  
AUTHOR

Yvan DeMuy has worked as a special educator of children with learning disabilities for over 20 years.

He began writing in 1997. After completing several young adult novels, Yvan turned his creative talent to television writing as well. He's been a screenwriter for the young adult web series *Juliette en direct* (*Juliet Live*) — a triple-Gemini award winner — as well as for the *Yamaska* and *Dis-mois tout* (*Tell Me Everything*) web capsules.

In 2013, in addition to his screenwriting projects, the author began collaborating with Jean Morin on the illustrated fiction series *Les soucis d'un Sansoucy* (*The Burdens of a Lightheart*). No burdens weigh Yvan down, however, now that success is inevitable: the series is currently available in France and Bulgaria, and will soon be published in Turkey.

**Jean Morin**  
AUTHOR, ILLUSTRATOR

In 1987, Jean Morin was part of the circle of collaborators behind the launch of *Safarir* magazine. He drew illustrations for the magazine for nearly 10 years. He has since worked as an illustrator for educational and young adult publishers as well as for advertising agencies. He loves his work, which allows him to explore different facets of his art, from humour and short story illustrations to advertising-style infographics, in both black-and-white and colour, for comic books and graphic novels. A lifelong creative, Jean is always brimming with ideas for new projects. In 2013, he partnered with Yvan DeMuy to produce the humour series *Les soucis d'un Sansoucy* (*The Burdens of a Lightheart*), which is currently being translated and adapted in three other countries.

### HÔTEL PARTICULIER

À SAINT-GILLES-CROIX-DE-VIE, EN FRANCE, LES INSECTES AUXILIAIRES SONT LES BIENVENUS À L'HÔTEL.

C'est afin de favoriser et de préserver la diversité biologique dans les espaces verts de la ville qu'une drôle de maisonnette a été conçue. Les insectes auxiliaires aident énormément les jardiniers et les agriculteurs en luttant contre les parasites et en pollinisant les fleurs. Il n'est donc pas étonnant qu'on veuille les chouchouter autant!

Des abris différents ont été installés à chaque étage de cet « hôtel à insectes ». Par exemple, le bois percé accueille les guêpes et les abeilles alors que les pots remplis de pailles plaisent davantage aux perce-oreilles et aux coccinelles.

Ne fais pas trop de bruit. Certains insectes auxiliaires sont peut-être en train de faire la grasse matinée.

Castle Chaos

One day, the king's soldiers began to clean up the castle grounds. They cut the grass, trimmed the bushes and raked the paths. As he stood supervising the work, Mook Chook, the head gardener, talked with the king. Just for fun, Clementine hid behind a tree to spy on them.

"Sire," said Mook Chook, "we should clean up the lakeshore too. The undergrowth is obstructing the view. And the shoreline has become overgrown with reeds. Why don't we build a beautiful terrace with a statue of your Majesty?"

"Hmm....," said the king, flattered, "a statue of me? What a good idea!"

Clementine had heard everything. She burst out of her hiding place.

With situations that are at once familiar, charming and comical, many children – and their parents too – will recognize themselves in these heart-warming tales.

When I returned to the bathroom, I explained to Papa Bear that I could not take a bath because the wash towel was too big and worse still, the towel to dry myself off was too small! He pointed out my mistake: it was in fact the other way around. I understood. The small one was for washing and the big one was for drying. He knows a thing or two, my Papa Bear does!

Pourtant, on peut voir qu'on s'en approche grâce à certains signes: la route n'est plus bordée de grands arbres mais d'arbustes rachitiques, les maisons sont si basses que leurs toits touchent le sol, et les pantalons des habitants sont tellement usés aux genoux qu'ils en sont transparents.

Plus on avance et plus les gens ont le dos rond, même lorsqu'ils ne portent rien sur leurs épaules, même lorsqu'ils sont jeunes. Seuls les tout petits enfants se tiennent droit, et encore. Malourène est affligée par le spectacle de ces gens dont l'horizon semble s'arrêter au bout de leurs pieds.
